

# JESCO LIGHTING GROUP

Creative Lighting Solutions for Residential, Commercial and Hospitality

**LED AQUA**  
Water submersible LED AQUA provides high-performance, RGB Ultrabrite DMX fixed color or color-mixing illumination for indoor and outdoor applications.

**TWIN ADJUSTABLE SLEEK PLUS FLUORESCENT SYSTEM**  
Adjustable, linkable, energy efficient compact linear fluorescent for undercabinet, merchandise display, cove and accent lighting applications. High output, low voltage and standard T4 and T5 lamp options offered in lengths of 2' to 4', in silver or white.

**QUICK ADAPT/MONORAIL SYSTEM**  
Quick Adapt Spots and Pendants are adaptable to our Monorail System, Mono/Multi-point Canopies and Standard Line Voltage Track Systems. Matching Wall Sconces complete the collection.
