

# JESCO LIGHTING GROUP

Creative Lighting Solutions for Retail Designs, Commercial and Residential Applications

#### RECESSED DIRECTIONAL LUMINAIRES

Available in 1- through 4-light linear, and 3- through 5-light corner configurations, these modules are offered in low and line voltage, and metal halide lamps. Trim finishes in black, white and metallic silver.

#### LED AQUA

Water submersible LED AQUA provides high-performance, RGB Ultrabrite DMX fixed color or color-mixing illumination for indoor and outdoor applications.

#### QUICK ADAPT/MONORAIL SYSTEM

Quick Adapt Spots and Pendants are adaptable to our Monorail System, Mono/Multi-point Canopies and Standard Line Voltage Track Systems. Matching Wall Ensembles complete the collection.
