Catalog No.	

IMPORTANT SAFETY INSTRUCTIONS

Please read and save these instructions. Read carefully before using product. Protect yourself and others by observing all safety information, warnings and cautions. Failure to comply with instructions could result in personal injury and/or damage to product or property. Please retain instruction sheet for future reference.

1. Read completely before beginning. If you feel you do not have adequate electrical wiring experience, have this installed by a qualified licensed electrician.
2. Ensure main power is off before installing or wiring this product.
3. Ensure correct voltage is being used for this product.
4. Disconnect electrical power before adding to or changing the configuration of the CBF fixture.
5. Do not install this LED fixture in damp or wet locations.
6. All electrical connections must be in accordance with local codes, ordinances and the National Electric Code.

CONSULT A QUALIFIED ELECTRICIAN TO ENSURE CORRECT BRANCH CIRCUIT RATED 24VOLT DC
