Jesco Introduces First “Envisage” Decorative Lighting Catalog

Glendale, New York, 2007 — Jesco Lighting, Inc., a multifaceted lighting company known for its broadly growing selection of creatively designed fixtures for commercial, institutional and residential applications, has announced availability of a major catalog detailing the Envisage Decoratives Collection I.

The 68-page full-color catalog presents a thorough overview of the widespread families of specification-grade ceiling fixtures, pendant lights, wall sconces, table and floor lights. An overview of the collection, its various applications and a table of contents, allows users to easily locate specific products and information on Envisage Decoratives Collection I, its configurations, available components and accessories.

The catalog presents close-up product photos that highlight the crisp, contemporary designs of Envisage Decoratives Collection I models, by family, and the way individual units will appear in applications. The models as a whole are characterized by lasting good design; hand-blown, hand-colored and painted glass diffusers; and polished and brushed metal housings, mounting brackets, lamp arms and bases.

Descriptive narratives at the head of each product section, complete specifications and information, are included for every family of product.

Copies of the new Envisage Decoratives Collection I catalog are available from Jesco Lighting, Inc., 66-25 Traffic Avenue, Glendale, New York 11385. Telephone: (718) 366-3211. Fax: (718) 366-3646. E-mail: sales@jescolighting.com. Learn more about Jesco Lighting, Inc. by visiting: www.jescolighting.com.
