JESCO LIGHTING INTRODUCES 28-PAGE CATALOG FOR SLEEK PLUS

Glendale, New York, 2007 — Jesco Lighting, Inc., a multifaceted lighting company known for its comprehensive selection of new and creative lighting fixtures for commercial, institutional and residential applications, has announced availability of a catalog detailing the award-winning Sleek Plus collection of small-scale, low-profile linkable linear fluorescent lighting fixtures.

The 28-page full-color catalog presents a thorough overview of the patent-pending Sleek Plus family of specification-grade linear fluorescent fixtures for cove lighting, under-cabinet and under-counter. A table of contents allows users to easily locate specific information on Sleek Plus models, configurations, available accessories and components.

The catalog presents both application and close-up product photos that highlight the unobtrusive design of Sleek Plus and its flexibility of use in coves, under counters, in display cabinets and virtually any other application where aimable, yet discreet high-performance energy-efficient illumination is required.

Sleek Plus benefits include patent-pending technology that allows precise aiming while maintaining a slender housing, proper heat control, long lamp life, maintenance of color output and plug-in connectors that simplify installation. A feature chart on page seven provides side-by-side comparisons of Sleek Plus and other linear fluorescent fixtures.

Descriptive narratives provide general and application-specific information. Complete product specifications including schematic illustrations and information on available Sleek Plus accessories.

Jesco Announces New Sleek Plus Catalog... page 2

Copies of the new Sleek Plus catalog are available from Jesco Lighting Inc., 66-25 Traffic Avenue, Glendale, New York 11385. Telephone: (718) 366-3211. Fax: (718) 366-3646. E-mail: sales@jescolighting.com. Learn more about Jesco Lighting, Inc. by visiting: www.jescolighting.com.
