* Exceeding the operating temperature values may damage the LEDs by reducing the lifespan, lumen output, adversely impact color consistency, and void the warranty. It is recommended adequate airflow and heatsinking be taken into consideration in the installation and application of this product. Improper thermal management may lead to premature product failure.

† Fixtures are connected via a distribution block.

The Radianz Surface Mount series is an award winning LED task or display lighting system that can easily be attached to a surface using double sided tape or screws. Each kit includes: (3) high lumen output LED modules in round or square interchangeable bezels, (1) Wall plug-in Power Supply with on/off switch, (1) 4-port distribution block, and (20) mounting clips with screws for wire maintenance. The KIT-RZ-SM RD3 or KIT-RZ-SM SQ3 main kits can be expanded upon with the KIT-RZ-EXT SM RD3 and KIT-RZ-EXT SM SQ3 extension kits (up to 24W in total).
