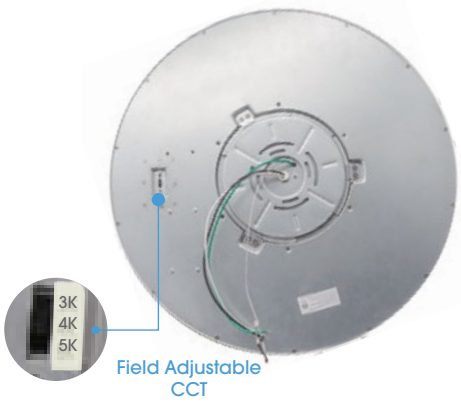
Notes	



The **LED Surface Mount with Slim Aluminum Die-Cast Trim** series is designed for residential and commercial applications. The ultra low profile design measures a close-to-ceiling depth of only 7/8" features a beautiful die cast aluminum trimming in white finish. The white translucent acrylic provides comfortable non-glare lighting with no hot spots and instant on. It is ADA Compliant for Wall Mounting and can easily be installed within a standard junction box. With a 3-Level field-selectable Color Temperature can be Triac dimmable.
