LED Pendant
Line Voltage LED Pendant

Type	
Project	
Catalog No.	

DESCRIPTION

Madison is a handcrafted glass pendant suitable for multiple settings. Suspended by an adjustable aircraft cable and powered by a braided color cord make this pendant stands out from the crowd. Includes a built-in heat sink to ensure a long lasting lifespan of its state of the art JESCO AC LED. Available in black glass with white cut outs and matte black hardware matched with a vibrant red braided cord or white glass with white cut outs and satin nickel hardware matched with a subtle yet sophisticated grey braided cord.

FEATURES

- Unique JESCO AC LEDs eliminates need for driver
- Long life – Over 16 years if used 8 hours per day
- Dimmable using standard incandescent dimmer
- Instant on – no warm up required
- Emitted light produces no heat, and emits no IR or UV
- Eco Friendly – No mercury or hazardous material
- Simple installation
