

# WS 83X-XX • MADISON

Wall Fixture  
Line Voltage LED Fixture

Type	
Project	
Catalog No.	

## DESCRIPTION

Madison is a handcrafted glass wall sconce with minimal hardware to showcase its elegance. Each wall sconce features opaque color glass with translucent cut outs. Light emits from the top, bottom and cut-outs of the sconce to create a union of ambient light. Available in black glass with white cut outs and matte black hardware or white glass with white cut outs and satin nickel hardware. Aluminum backplate to ensure proper heat dissipation of its state of the art JESCO AC LED and to ensure its long lasting lifespan.

## FEATURES

- Unique JESCO AC LEDs eliminates need for driver
- Long life – Over 16 years if used 8 hours per day
- Dimmable using standard incandescent dimmer
- Instant on – no warm up required
- Emitted light produces no heat, and emits no IR or UV
- Eco Friendly – No mercury or hazardous material
- Simple installation
- ADA compliant for wall applications in multiple sizes
